Bert Travis.....	2 70	Hiram Brown.....	4 38
Fred Secoy.....	2 50	D. Ferguson.....	8 70
Buckeye Electric Company.....	36 00	Joe Burns.....	7 00

Moved by McIntyre and supported by Mann that the bills as read be allowed and orders for the several amounts be drawn on the treasurer.—Carried.

The ordinance committee reported favorably on ordinance entitled, "An ordinance to regulate the use of bicycles, tricycles and similar vehicles and to provide the manner in which all vehicles of every description shall be drawn or propelled through the streets," and recommended that said ordinance be known as "Ordinance No. 22" of the Village of Yale, St. Clair Co., Mich., and that it be passed, approved and adopted as read.

Moved by Menerey and supported by Mann that "Ordinance No. 22" as reported from the ordinance committee and read be passed, approved and adopted and that the Clerk cause a copy of the same to be published in the Yale Expressor three weeks in succession.

Yeas—Mann, Currier, McIntyre, and Menerey, (4) Nays—none, (0)

The Secretary of the Light and Water Board made the following report:

Yale, Mich., May 31, 1899.

To the Clerk of the Village of Yale:  
I would respectfully report that during the month of May I made the following collections for account Light and Water fund and paid the same to the treasurer.

For electric lights.....	\$170 00
For water.....	77 00
For water permits.....	63 00

Total receipts for month..... 310 00

I would also report that I issued electric light permits to E. B. Fuller & Co., and KOTM, and water permits to W. B. Ballentine, E. F. Pratt, A. Gray, W. H. Ballentine, A. Windsor, John Holden, J. B. Stevens, J. C. Holden, H. Tappan, F. M. Beecher, R. G. McLaughlin, F. M. Beecher, Yale Milling Co., Grant Holden and J. C. Hart.

E. F. Fead, Sec'y.

The Light and Water Board made the following report:

Yale, Mich., May 8, 1899.

To the President and Council of the Village of Yale:

Your Light and Water Board would respectfully report that the plumbers of the village say that at the present cost of the material used in making the taps they cannot afford to make taps at the rate made last fall when material was so much cheaper than it is now and that they requested us to make a new rate with them. After carefully figuring the matter over with them they have agreed to do the work for \$7.00 a tap for the short side of the street and \$9.50 a tap for the long side of the street and we would recommend that the council accept these prices for that work while the present high prices prevail.

J. B. Stevens,  
E. R. Beecher,  
Commissioners.

Moved by Mann and supported by Menerey that the recommendation of the Light and Water Board be accepted and that the plumbers be allowed the prices stated for tapping the mains.—Carried.

The Light and Water Board made the following report:

Yale, Mich., May 8, 1899.

To the President and Council of the Village of Yale:

Your Light and Water Board would respectfully recommend that Steve Curvin's wages as assistant engineer be raised to \$30.00 a month as now there are over 32 water takers and more being added every week, he has more work and we think he is entitled to the raise.

J. B. Stevens,  
E. R. Beecher,  
Commissioners.

Moved by Menerey and supported by Mann that the report of the Light and Water Board be laid on the table until the next meeting.—Carried.

The sidewalk committee made the following report:

Yale, Mich., June 1, 1899.  
To the President and Council of the Village of Yale:

Your committee on sidewalks would respectfully report that they find the following sidewalks in bad repair and would recommend that the said sidewalks be condemned and ordered torn up and removed and that new walks of the same width laid crosswise on 4 x 4 inch stringers be ordered built in place of those condemned.

The sidewalk on Main St. in front of Lots 1 and 2, Block 1, Orchard Hill addition to the Village of Brockway Centre (now Yale).

The sidewalk on North St. in front of Lot 1, Block 12, Grinnell's addition to the Village of Brockway Centre (now Yale).

The sidewalk on Mary St. in front of Lots 14, 15 and 16, Block 7, Chamberlain's addition and Lot 1, 2 and 3, Tappan & Law's addition to the Village of Brockway Centre (now Yale).

(Geo. Mann,  
Committee; F. P. Currier,

U. H. Menerey,

Moved by Mann and supported by McIntyre that the report of the sidewalk committee be accepted and the said sidewalks be condemned and ordered torn up and removed.—Carried.

Moved by McIntyre and supported by Currier that the Clerk notify the owners of property abutting on said condemned sidewalks that they must rebuild said walks inside of 15 days and that if the owners of the property furnish top lumber; the village will furnish underpinning, spikes and labor to put the walk down.—Carried.

Moved by Mann and supported by Currier that the President be authorized to extend the time for the collection of the tax roll of 1899 until July 10th, 1899, and that the treasurer be allowed one per cent for collecting the taxes during the extra time.—Carried.

Council adjourned.

E. F. Fead, Clerk.

## A JOINT WILL

Of Mr. and Mrs. Alex. Lothian Filed in the Probate Court on Thursday.

Under the above heading the Port Huron Daily Times has the following to say:

"The will of the late Alexander Lothian and wife, Anna Lothian, was filed in the Probate Court Thursday. Mr. and Mrs. Lothian were pioneer residents of Brockway and made a joint will on October 12, 1896. The will provided that the entire estate of each should go to the other in case of the death of one of the parties. Mr. Lothian died on December 7, 1898, and his wife on June 3, 1899. James McColl is named as the executor of the joint will, and the estate is divided equally between two sons, John Lothian, of Au Sable, and Robert Lothian, of Yale, and Mrs. Eliza Sayles, of Emmet. This is the first joint will ever filed in the probate court of St. Clair county."

This will was drafted by Harvey Tappan, of this place, and although short and concise in its provisions it fully secures both husband and wife in the title and use of all their property, whether held jointly or separately during the life of both or the life of the survivor; and then provides for the disposition of whatever may remain after the death of both.

## WYE-MITCHELL.

At five o'clock Wednesday afternoon June 14th 1899, at the residence of Jacob Reichard, words were spoken by Rev. J. B. Keith which joined together two lives, those of William Mitchell and Miss Edith Wye, both of Yale. The bride was dressed in cream color and looked very handsome. The wedding was a very quiet one and the young couple will go to housekeeping directly. Many useful and elegant presents were received which will go to beautify their new home.

## Grove Meeting.

A grove meeting will be held Sunday in Zuelch's grove at Fargo. Services will be held in the morning at 11 o'clock and again in the afternoon in the open air. Everyone is cordially invited to attend these services and all are requested to bring their dinner and stay all day. Hay in plenty will be provided for the horses. The services of Evangelist Wm. A. Ward have been secured and he will address meetings in the grove and will preach again in the evening in the hall where he is conducting special services every night this week. Good singing will also be a feature of these meetings.

## Card of Thanks.

I take this means of expressing my appreciation of the kindness shown by friends and neighbors during the recent sickness and death of my mother, the late Mrs. Alex. Lothian. I can but express my thanks that in the midst of trouble and sorrow, sympathy and help has been so generously extended by all.

R. M. Lothian.

## 50 PER CENT OFF.
